

in partnership with 

Community Grant Program 2011

General Guidelines

1. The purpose of the National Seniors Foundation Trust (NSFT) Community Grants Program is to assist organisations who are dedicated to improving the quality of life of senior Australians as they age by fostering independence, dignity and purpose.
2. Grants can only be made to charitable organisations that have endorsement as a Deductible Gift Recipient (DGR) by the Australian Tax Office (ATO).
3. Grants are not made to individuals.
4. Grants are made annually in June each year.
5. The nominated organisation is to complete the 'Application Form 2011' and indicate on the 'Equipment List 2011' the equipment that is requested. Other equipment and items will also be considered. For these items please obtain a separate quote and submit with the application.
6. When applying for healthcare equipment preference will be given to equipment supplied by Medistore, due to their partnership with NSFT.
7. All applications should be made with the support of a National Seniors Australia (NSA) branch. The NSA Branch is to complete the 'Branch Nomination Form 2011' and, together with the completed Application Form and Equipment List, post to National Seniors Foundation Trust, GPO Box 1450, Brisbane QLD 4001.

Equipment List 2011 (to be completed by the charity/organisation)

Name of organisation (registered name of the charity/community organisation applicant)

Community Grants are capped at \$5,000. If you request funding above this amount, your project may be considered outside these guidelines.

Closing dates for funding rounds: 31st March 2011

To view the equipment listed in more detail please visit www.medistore.com.au or phone Medistore on freecall 1300 882 194. Please make reference to NSFT.
